21

UK

Location:  
14 Churchfield Cottages  
Landway  
Seal, Sevenoaks  
Kent  
TN15 0DR

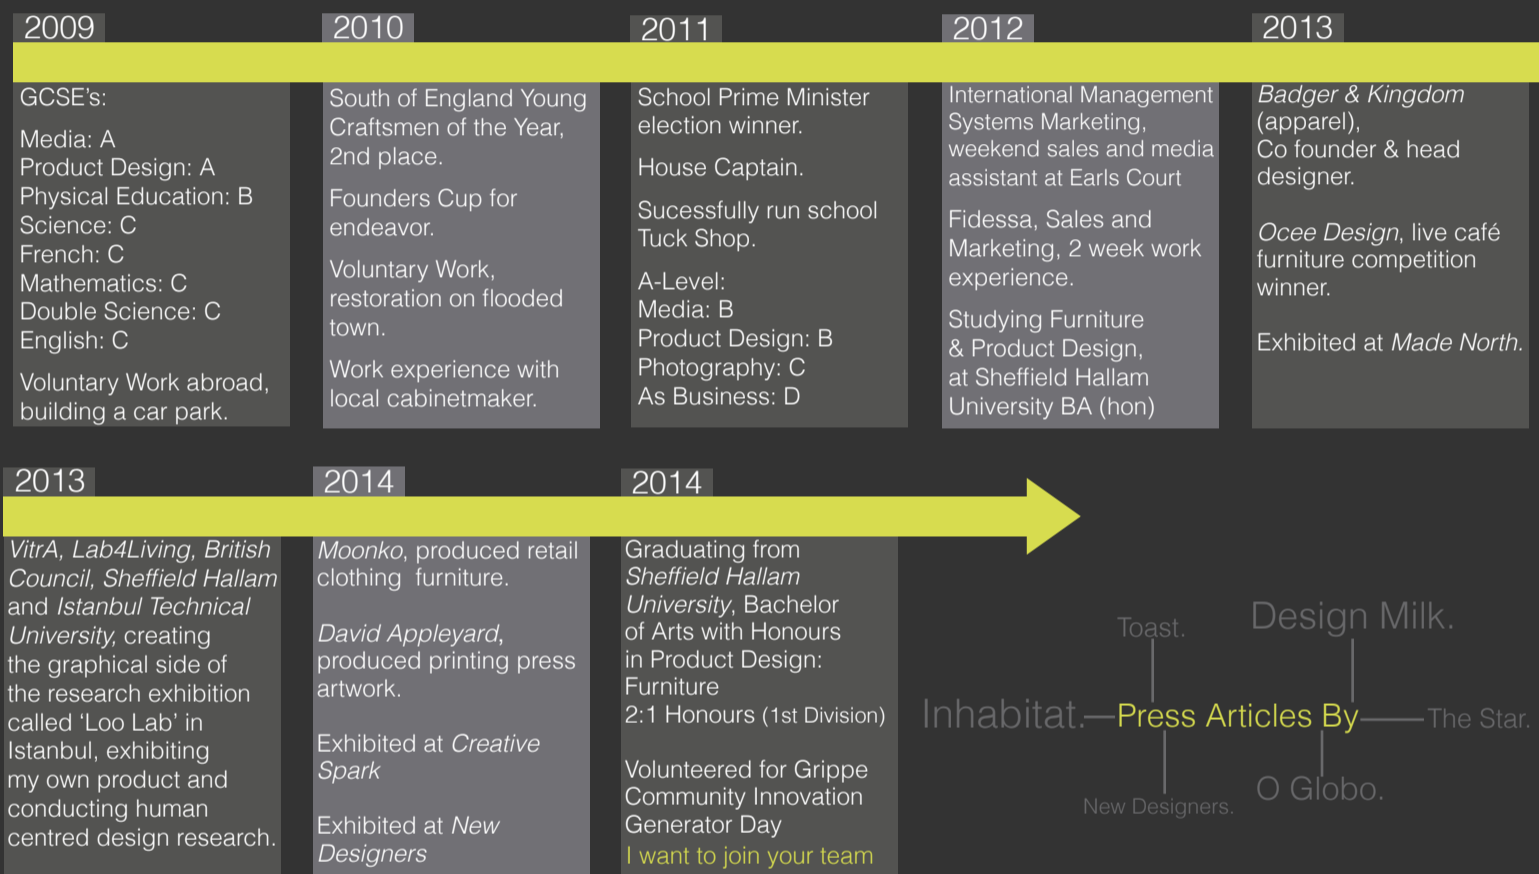

Nationality: English

## About Me

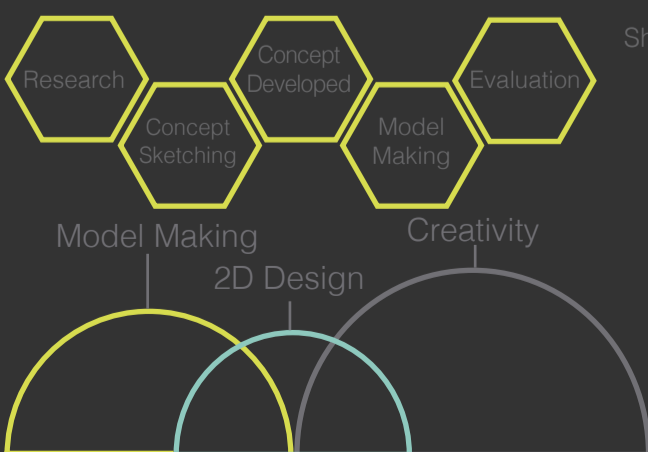

Passionate. Professional. Proactive. I'm a furniture and product design graduate working under the title of 'Not Just Chairs'. I embrace all creative design outlets and work hard to produce quality products that solve everyday or even future problems.

Studying at Sheffield Hallam University has developed my skills and design ethos allowing me to explore commercial user centred design to find opportunities to improve usability.

## LONG STORY SHORT:

## My Skills

Volunteering  
Tumblr Entrepreneur  
Exhibitions Charity  
Badminton Photography  
Socializing Football
